PAGE 2 (Star Hazer)

- Storage** Store containers in a cool place. keep apart from oxidising materials
- Handling** No special handling precautions are required but it is good practice to wear rubber gloves. As with all chemicals, eye wash and clean water should be readily available
- Road Accidents** Observe the usual precautions Stop the engine Notify the police & fire brigade. Warn other road users and keep public away from the area. Its presence on the road surface may increase the tendency to skid. Transfer as much as possible to other containers and flush away any residue with plenty of water.
- Transport** This product is not regarded as hazardous for transportation
