

Cable reels HD Series

Especially designed to minimize cable stress, the HD cable reels are particularly useful in live applications where quick and easy winding and unwinding are required. Sturdily constructed, they enable cables to be neatly and safely stored away. Ideal for OB Van applications, available on wheels or in flight-cases.

HD Series

This range of cable reels feature rubber supports making them stackable to save space both when in use and during storage.

AV HD 600 with FLY HD600

From the HD cable reels range, the new HD 600 can carry up to 100 meters of 48, 56 or 64 pairs cables.

How choose your cable reel holder according to cable size

$$L = \frac{K}{D^2} \times 1.000$$

L = Cable lenght (m)

D = Overall diameter (mm)

K = see table
